Overall, have you been satisfied with this course? Why or why not?

1. Dr Taylor was great and extremely nice. Truly seems like she cared for the students and about the subject.
2. I am, I felt as though I was aided to write a great research paper.
3. I am very satisfied with this course! In the course we had a 8-10 page essay due and I haven't written an essay that long before and I was very stressed! But the course broke up the assignment in little pieces that when it was time to write the essay I felt completely comfortable and no stressing writing the assignment!
4. Yes i ahve been totally satisfied with this course! This course has taught me so much and made me a better writer.
5. I liked this course a lot! It really helped me understand what a research paper should be and how scholarly work is written.

Overall, what changes would you recommend regarding each of the following: 1. Readings 2. Assignments 3. Class format 4. Instructor's performance.

1. I though all were phenomenal, well structured, and took the behemoth that is a major research paper and broke it up in a manner which made the class great.
2. I would have no changes at all! The layout of the course is great and the instructor was always very open and okay with questions. I asked a lot of questions throughout the semester and the instructor always answered them and was always very nice!
3. One assignment a week for more weeks would be useful. I feel like it's easy to fall behind with two assignments a week when one of them is big. But overall I really liked the setup of this class. All the assignments we did in the beginning helped me a lot when it came to putting together my own paper. The feedback from Professor Taylor was really helpful and boosted my confidence in my paper and overall writing ability.

Any additional comments or recommendations about the instructor or course?

1. N/A
2. I just wanted to say I really like the instructor and I hope to take another class with her!
3. Professor Taylor is the best GVAR Teacher !! I had such a great experience with her her office hours are always available and she responds to emails so fast! makes me feel cared about and she goes beyond her teaching even if we were all online!
4. Thank you for a great semester!! My only suggestion would be to add on another required zoom, maybe. I found it helpful to discuss ideas in real time. This was a great class. I feel proud of my paper.
